

SCORING FOR DUAL MEETS

* Scoring for dual meets shall be:

RELAYS	INDIVIDUAL
1st - 4 pts.	1st - 4 pts.
2nd - 0 pts.	2nd - 2 pts.
	3rd - 1 pt.

* No team may sweep an event for points. No more than 6 points per individual event, per team; only legal swimmers get points.

* A team that has a legal swimmer scores at least one point. However, ribbons are awarded for place finishes.

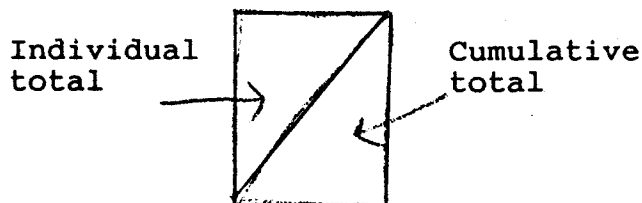

Example 1 - Idle Hour swimmers finish an individual event 1st, 2nd, and 3rd places, and opposing team finishes 4th, 5th, and 6th, with all swimmers legal. Idle Hour will receive 1st and 2nd place pts. - a total of 6 points - and the opposing team will receive one point. However, the Idle Hour swimmer who finished 3rd should receive a 3rd place ribbon, but he/she will not score 1 point for 3rd place. The opposing team will score 1 point in this case.

Example 2 - Idle Hour swimmers finish an individual event 1st, 2nd, and 3rd places, legally, and the opposing team's swimmer(s) are all disqualified. Idle Hour will receive 1st and 2nd place pts. - a total of 6 points - and the opposing team will receive no point. The 3rd place point is dropped.

In the event of a tie:

The tied swimmers take the next two places and total is divided between them. Example a tie for 2nd place - 2 points plus 1 point for 3rd place, then divide by two - 1.5 points for both swimmers and 4th place is awarded to next swimmer.

When adding points on page have the other scorer check addition. Carry cumulative total over to new page.
